25th February 1956]

The Stanley Medical College, Madras.—The minimum dress required to be worn by the men students of the Stanley Medical College, Madras, is trousers, shirts tucked inside the trousers or bush coats, or shirts and coats and shoes of any pattern. The clothes may be of any pattern and of any material. Collar and tie and any recognized type of head dress may be worn by the students, if desired. Students attending dissection classes in the Anatomy Department or working in the laboratories and the hospital wards are required to wear white overcoats of a uniform pattern (closed coats with short sleeves buttoned up in front). No particular dress is prescribed for women students.

The Madurai Medical College, Madurai.—The men students of the Madurai Medical College are required to wear trousers, shirts (tucked inside) or bush shirts, and shoes with or without socks during lecture classes.

No particular form of dress is prescribed for women students.

APPENDIX V.
